

This technical drawing illustrates a parking lot layout with five numbered car stalls (1-5) arranged in a row. Each stall is 250 units wide and 500 units long. The layout includes a building footprint at the top left, a curved red boundary line, and various elevation markers (e.g., 27.20, 27.38, 27.14, 27.46, 27.30, 27.34, 27.36). Dimensions for stall spacing and overall area are provided. A red dashed line outlines a specific section of the lot. The drawing is oriented with North (N) at the top.

Area: 13 m²

Floor: Ground floor / 10

Orientation: - No -

Description

Паркомясто на етаж партер с площ 12,5 кв.м.
